

## The Whole Story

In this lesson, we'll be taking a look at  
**The Whole Story.**

*Estimated Completion Time: 5 minutes.*

## The Whole Story

We've talked about getting in close for pictures - but it can also be important to tell the whole story.

Below, we've used a tree as our subject. First we take an all-encompassing shot to put the tree in context.

## The Whole Story

Now, we move in closer to get some more shots.

## The Whole Story

Finally, we come in for the close-ups.

By covering the tree using a series of shots, the shot below now has a much better context - we know what it is, and where it came from.
